

PAWPAW CHAPTER OF THE FLORIDA NATIVE PLANT SOCIETY

GRANT APPLICATION AND GUIDELINES

The purpose of the Florida Native Plant Society (FNPS) is to promote the preservation, conservation, and restoration of the native plants and native plant communities of Florida

As part of an ongoing effort to fulfill that mission, the Pawpaw Chapter of the FNPS is offering grants of up to \$500 worth of native plants per approved project. Projects must be within Flagler or Volusia County and meet the above objective of the FNPS mission statement.

Eligible Applicants: Teachers in K-12 schools (with Principal approval) may apply. Previous grant recipients may also apply.

Eligible Projects must demonstrate the value of native plants for wildlife. Projects may include, but are not limited to the following:

- Establishing or enhancing a butterfly or other pollinator garden
- Establishing or enhancing a native demonstrative garden

Projects must adhere to the following guidelines:

- Must clearly state goals and objectives on the application form
- Photo of project site, with written observations of dimension, sun exposure and soil make-up
- No Category 1 invasive plants within area of project (refer to webpage - www.fleppc.org/list/2015fleppclist-largeformat-final.pdf)
- Soil need not be amended
- Site must be prepared for planting prior to plant delivery, including an on-site review by an Pawpaw FNPS Education Committee member
- Project must be completed within a school year
- Future maintenance responsibility must be provided
- Any signage at the site should acknowledge the Pawpaw Chapter and the Florida Native Plant Society as should any mention of the project in school newsletters, social media or other means of communication

THANK YOU FOR CONSIDERING NATIVE PLANTS. WE LOOK FORWARD TO WORKING WITH YOU
